2022-23

*A Virtual International English Fest*

## Principal's Message

Hari Om!

Pujya Gurudev Swami Chinmayanandaji opines “The present is the womb of the future. A greater future happiness can be had only by investing in the present correctly. Look after the present and the future will look after itself”. These propitious words of Swamiji expatiate the consequential necessity to nurture the propensity of youngsters for a worthier future. The phenomenal success of LITZGLITZ-2K21-A Virtual International English Fest corroborates VBCV’s triumphant stride over the impediment inflicted by the pandemic situation. Reinforced with augmented innovative thinking here we come forward again with LITZGLITZ-2K22. It is our earnest enterprise to solicit the prismatic hues of creativity and critical thinking, as well as offer a forum for liberating their embryonic ingenuity. In the dynamic global stage, amelioration of literary skills in terms of articulation and creativity can facilitate confidence and cerebration. It indubitably amplifies cognitive skills, emotional dexterity and leadership competence. LITZGLITZ, therefore, epitomises our desire to kindle innovative perception and promulgate an intrinsic understanding of worldly experience through the expansive world of literary pursuits. It is our endeavour to fraternise with the global society and advocate transcendence through the theme of the fest: Exceeding Excellence.

I, thus, extend a warm welcome to all school Principals, and anticipate humongous participation of students. Let the effulgently illustrious domain of literature and literary skills ignite intellects and luxuriate a kaleidoscopic exposition of literary aestheticism.

Thank you!
